

LMS – Moodle Mobile App Setup Details

The Moodle Mobile App has been integrated with the ICHAS – LMS to provide students with quick access to their college resources on most types of Mobile Devices. The Moodle Mobile App is available free from the Apple App Store or Google Play Store.

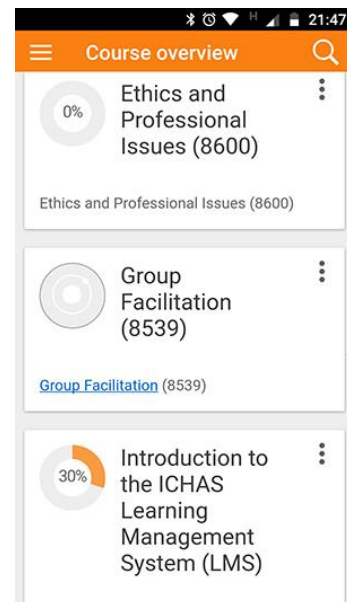

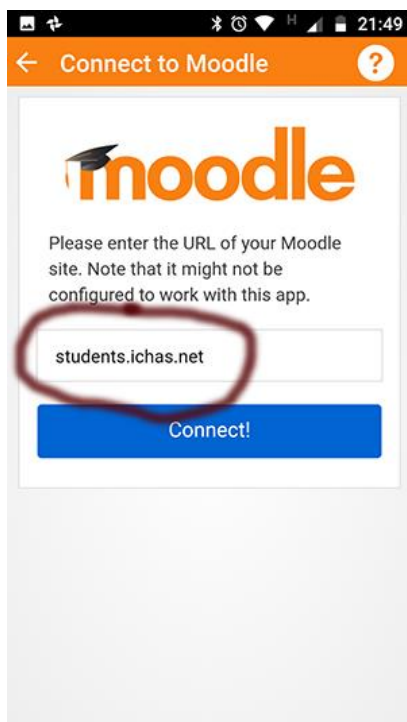

Download the App onto the device you want to use it on – you can install it on multiple devices.

Run the App and enter the “students.ichas.net” address.

You will be re-directed to LMS login page. Login as usual.

Once you login you will be returned to the App Course Overview page

You need only login once; The Moodle Mobile App will remember your details and log you in automatically in future.

See the [Moodle Mobile documentation](#) and [Moodle Mobile release notes](#) for all the latest information.
